

NORTH FORK CLEARWATER RIVER CORRIDOR

During the 2020 outdoor recreation season, the North Fork Ranger District saw a big uptick in visitation, campground use and traffic. This summer – 2021 – forest users are experiencing much of the same. Please be courteous. Drive carefully and have alternate plans in place in case your favorite campground is full; your family's much-loved hunting camp is occupied; or your go-to dispersed site is taken.

STAY SAFE AND ENJOY THE LONG INDEPENDENCE DAY WEEKEND

Be sure to contact the North Fork Ranger Station (208-476-4541) for road updates or for more information about summer and fall recreation opportunities.

All forest roads are mountain roads with potential hazards. Appropriate caution is required. Single lane in many places; backing up may be necessary. At a minimum, carry water, a shovel, and an axe.
